THE HIT SQUAD

It's 2125 . . . Crime baron Emilio Bocker rules the grim futuristic wastelands and towering tenements of Los Angeles from his lair hidden amongst the apres-meltdown debris of a society that has gone terribly wrong. He exerts a vice-like grip on the remains of a once healthy economy, terrorizing and destroying what is left of the populace.

It's been obvious for years that something must be done . . .

The time is now right – a new generation of streetfighter has emerged with the special skills necessary to infiltrate Bocker's retreat, wipe out his minions then finally **BLOW HIM AWAY!!!**

ACTION PACKED!
